Gentlemen;

I would be pleased to have you send me information regarding your society - whether or not it is one organized in the interest of collectors of rare coins or one organized for profit; the nature of its business; and if it publishes a catalog of coins that it buys, I would like to have one; premium lists etc. published by the society.

Thanking you in advance, I am  
Yours truly,

Mr. S. S. Hibbard

Duluth, Minn.

Dear Sir:

Yours of March 7th at hand.  
We do not furnish a catalogue or premium  
list. I enclose a circular regarding  
our Society, which will explain that it  
is not a business organization.

If you are interested in numis-  
matics, you may care to consider an invi-  
tation to become a member of this Society,  
in which case I shall be glad to send you  
an application card.

Very truly yours,

Secretary
